KatMat Productions Branding guide

Voice and Tone

At KatMat Production, we take pride in our expertise in video production. Creativity and innovation are at the heart of our brand.

We want our clients to feel our excitement and eagerness to work with them.

We avoid overly formal language and jargon when communicating with our clients.

Keywords:

Assertive

Professional

Approachable

Innovative

Messaging Architecture

- Here are some communication goals that KatMat use to serve as a foundation for crafting content that effectively represents KatMat's brand and values.

- Elevate Visual Storytelling: Establish KatMat as a prominent figure in the realm of visual storytelling, emphasizing their expertise in crafting exceptional videos for a wide range of clients.

- Empower Client Success: Showcase KatMat's dedication to understanding client's unique goals and objectives, ensuring that every project, whether for corporate or entertainment clients, is a success by aligning their vision with KatMat's expertise.
- Champion Accessibility and Inclusivity: Communicate a strong commitment to making media accessible to all by offering services like providing closed captioning, audio descriptions and ensuring that video content complies with accessibility standards and guidelines.

- Innovative Creativity: Promote a culture of innovation by showcasing KatMat's ability to bring fresh, unique, and creative ideas to every project, ensuring that their content stands out.

- Highlight Canadian Roots and Two Decades of Expertise: Effectively communicate KatMat's Canadian roots and showcase the company's 20 years of experience, showcasing their dedication to delivering top-notch content

Messaging Architecture

- These communications goals help to:
- Align the company's messaging with its business objectives

- Ensures a consistent, clear, and compelling brand image.

- They guide creative and strategic decisions, helping KatMat stand out from its competitors while conveying their strengths and values.

Mission

KatMat Media is dedicated to the art of visual storytelling, with a mission to create compelling narratives that engage, inspire, and captivate. We leverage two decades of expertise to deliver content that stands out and leaves a lasting impression, setting new standards in the world of visual storytelling.

Vision

KatMat envisions a world where creativity knows no limits, shaping a brighter, more connected future through the magic of media.

Color Palette

"This palette contains five colors which were carefully selected for KatMat Productions. A strong red to suggest action, a rich black, light grey, off-white, and stark white all to have high contrast while being minimal in design. All five colors are to be used on the creative side of the site creating a feeling of fun, while the corporate side will only make use of black, grey, and whites for a slightly more professional look and feel.
