

HAVEN

Modern Living | Inspired Spaces

Building the Brand Digital Technology - GRAF-153-WLA

By : YUMNA EL HENDI

BRAND MESSAGE

HAVEN is a contemporary interior design and lifestyle magazine dedicated to inspiring readers through beautiful, functional, and thoughtfully designed spaces. The magazine explores modern architecture, interior styling, furniture, home renovations, sustainable living, and innovative design trends.

HAVEN celebrates clean aesthetics, timeless design, and comfortable living. Every issue combines inspiring photography with engaging editorial content to help readers create homes that reflect their personalities while remaining practical for everyday life.

The magazine's visual identity is sophisticated, calm, welcoming, and minimal. Through elegant typography, spacious layouts, and carefully curated imagery, HAVEN delivers a premium editorial experience for design enthusiasts and homeowners alike.

Logo Development

The HAVEN logo explores elegant typography inspired by premium editorial magazines. The logo focuses on clean serif letterforms combined with subtle botanical elements that represent nature, growth, and calm living. Multiple logo concepts were explored before selecting a final direction that best reflects the magazine's sophisticated personality.
